

To support our team, we are looking for

Associate M&A (m/f/d)

Walther Transaction (WT) is an international M&A boutique and specialist for company sales and acquisitions based in Munich, Germany. To date, the teams around Mark Walther (<https://www.linkedin.com/in/mark-walther>) and Moneshia zu Eltz (<https://www.linkedin.com/in/moneshia-zu-eltz/>) have successfully completed more than 300 corporate transactions and business development projects. Our two home markets are Continental Europe and Transatlantic but we also completed more than 30 projects with Asian involvement.

Your Responsibilities:

- Active contribution in the acquisition of new clients and mandates at existing clients
- Management of project teams and active participation in all tasks in the M&A process
 - o Analysis of the company (market and competition, business model, finances)
 - o Development of the M&A strategy and company valuation
 - o Preparation of German and English transaction documents
 - o Identification and qualification of potential investors and targets
 - o Setup and maintenance of virtual data rooms, management of due diligence documents
 - o Management of bidding processes including Management Meetings etc.
 - o Active role in the negotiation phase up to the closing of the M&A deal

Your Experience level:

- Completed university degree (BA or MBA), preferably in business administration, finance or industrial engineering
- A minimum of 3 years of successful professional experience in M&A related functions
- Outstanding performance, problem-solving competence and flexibility
- Strong analytical and numerical reasoning
- Experienced handling of MS Office applications
- Very high communication and negotiation skills
- Fluent in English (min. C1-level) and German (min. C1-level)
- Experienced in managing successful project teams

What makes us special:

- Exciting projects in a demanding international work environment with very high ownership responsibility
- Highly motivated and integrated inter-generational team, flat hierarchies and focus on employee development
- Individually adapted career development and
- Open for creative working time models
- Attractive compensation package
